

52-WEEK SIDE QUEST DECK

OFFICIAL FIELD ASSIGNMENTS - FORM SQ-52

One unnecessary adventure for every week of the year

NO HEROIC QUALIFICATIONS REQUIRED

Side Quest Department - Not affiliated with any actual government agency. Obviously.

OPERATIVE INSTRUCTIONS

STANDARD OPERATING PROCEDURE SQ-52

1. Select

Choose one card each week, draw at random, or select a category matching your current energy level.

2. Review

Check the estimated time, budget, personnel, location, weather, health, laws, and common sense before proceeding.

3. Adapt

Modify any assignment to fit your ability and circumstances. Skip anything unsafe, illegal, destructive, intrusive, or simply not for you.

4. Complete

Finish the mission, record it on the Field Log, and claim the entirely imaginary reward listed on the card.

5. Repeat

Return next week. The main quest will still be there, probably asking why you have not folded the laundry.

SAFETY NOTICE

Side quests are entertainment, not professional advice or dares. You are the final decision-maker. Children require appropriate adult supervision. The Department does not award bonus XP for ignoring posted signs.
